## Baggage information

Starter fares include a carry-on baggage allowance of one bag and one small personal item with a total combined weight of up to 7kg.

Your bag must not exceed these dimensions:

### Adding baggage

In most cases, when you want to bring more than two carry-on bags, or more than your included carry-on weight, you must purchase additional carry-on and/or checked baggage allowance. It costs much less to do this before you fly.

part of our contract with you.

## Conditions of carriage

Your travel is subject to the Jetstar conditions of carriage. The full conditions of carriage are available at the link below and the airport. If your journey is to another country, the Montreal or Warsaw Convention may govern and limit liability for death or injury and for loss of or delay or damage to baggage. [View Jetstar conditions of carriage](#)

## Advice to International Passengers on Limitations of Liability

Passengers embarking upon a journey involving an ultimate destination or a stop in a country other than the country of departure are advised that the provisions of an international treaty (the Warsaw Convention, the 1999 Montreal Convention, or other treaty), as well as a carrier's own contract of carriage or tariff provisions, may be applicable to their entire journey, including any portion entirely within the countries of departure and destination. The applicable treaty governs and may limit the liability of carriers to passengers for death or personal injury, destruction or loss of, or damage to, baggage, and for delay of passengers and baggage. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under an international treaty. For further information please consult your airline or insurance company representative.
